Personal Attributes

❖ Self-learning Ability

During my experience at Forexco., I can work independently and pick up new framework quickly so that I can learn as well as contribute to the project.

❖ Creativity and Open-mind

As a creative individual, I have vital interests in design, music and video games. I usually follow online tutorials but build the projects based on my design.

❖ Hard-working and able to work under pressure

While at university, I once undertook six subjects in a semester.

❖ Perfectionist

I enjoy spending my time on coding and thinking about potential upgrade, I positively want people to recognize my efforts.
